

GGD Amsterdam

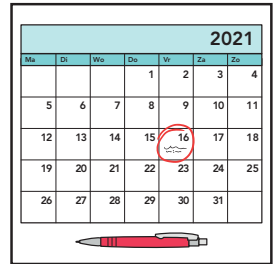

Free COVID-19 vaccination for undocumented migrants

Do you want a free COVID-19 vaccination?

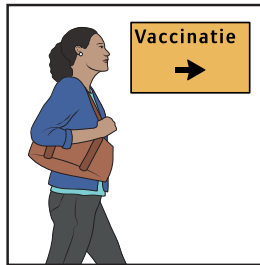

Call the number of the Amsterdam GGD

Make an appointment

Bring a mask and a document with your name and date of birth

Visit the vaccination location between 08:00 and 20:00

You can choose between the Janssen or Pfizer vaccination

- Interpreters are available for people who speak other languages than Dutch or English.
- When you choose the Pfizer vaccination, you will receive a second vaccination after a couple of weeks.
- For the appointment, you will need a BSN number (the Dutch citizen service number). If you don't have a BSN, we will provide an anonymous BSN.
- We do not share data with the IND (Immigration and Naturalisation Service) or other organisations.
- More information? Check ggd.amsterdam.nl/coronavirus or call 020 555 5202.
